

## **PROTEST AND PARTY! – San Francisco**

Help greet Wayne Pacelle, President of the HSUS, at his "town hall" meeting in San Francisco on October 28. Meet and work with Bill Hemby of PetPAC ( [www.petpac.net](http://www.petpac.net) ), one of the true leaders against HSUS-inspired legislation in California. Gather afterward to toast the Governor and our political allies and prepare for the upcoming battles.
